Preface

Thank you for choosing the PORODO SUNOVA 20000mAh Solar Power Bank. This product is designed for outdoor use, emergency power supply, and daily charging needs.

Package Contents

1. 20000mAh Solar Power Bank
2. Built-in USB-A Cable
3. Built-in USB-C Cable

Usage and Care Instructions

1. Fully charge the power bank before first use.
2. Use the USB-C port for input and output charging.
3. Place the solar panel under direct sunlight for solar charging.
4. Use the hand crank for emergency power generation.
5. Keep the product away from extreme temperatures.

Features

1. 20000mAh battery capacity
2. Solar charging
3. Foldable hand crank
4. Built-in USB-A and USB-C cables
5. Detachable design
6. LED flashlight
7. SOS emergency light
8. Torch light

- 9. Water resistant
- 10. Battery status indicators
- 11. Simultaneous multi-device output
- 12. Long battery life

Frequently Asked Questions

1.Q: Can this power bank charge multiple devices at the same time?

A: Yes, it supports simultaneous multi-device output.

2.Q: Can it be charged by sunlight?

A: Yes, it has an integrated solar panel for solar charging.

3.Q: Is it suitable for emergencies?

A: Yes, it includes a hand crank, LED flashlight, and SOS emergency light.

Safety Precautions

- 1. Do not expose the product to fire.
- 2. Do not disassemble or repair the product yourself.
- 3. Avoid using the product in very high or very low temperatures.
- 4. Keep the product away from children.
- 5. Do not immerse the product in water.

Attention

- 1. Solar charging speed depends on sunlight intensity.
- 2. Hand crank charging is for emergency use only.
- 3. Use compatible charging cables and devices.
- 4. Total output should not exceed 5V/3A.

Maintenance Tips

- 1. Store the product in a dry and cool place.
- 2. Recharge the power bank regularly when not in use.
- 3. Clean the surface with a soft dry cloth.

4.Avoid strong impact or dropping the product.

Troubleshooting

- 1.**Device not charging: Check the cable connection and battery level.
- 2.**Solar charging is slow: Place the solar panel under stronger direct sunlight.
- 3.**Flashlight not working: Recharge the power bank and try again.
- 4.**Power bank not turning on: Charge it using the USB-C input port.

Specifications

Battery Capacity	20000mAh
USB-C Input/Output	5V/3A
USB-A/USB-C Cable Output	5V/2A
Total Output	5V/3A
Solar Panel/LED Lamp Power	2W
Battery Cycle Life	≥ 500 Cycles
Crank Speed	110RPM
Working Temperature	-10°C to 40°C
Storage Temperature	-20°C to 50°C
Product Weight	650g
Product Size	164 x 80 x 32mm
Model Number	PDPBSH200

LED Functions

The LED system includes multiple lighting modes for outdoor activities and emergency situations. Press the power button to switch between different lighting modes.

- 1.Flashlight Mode:** Provides bright illumination for daily use and outdoor environments.
- 2.SOS Emergency Mode:** Sends an SOS flashing signal for emergency situations.
- 3.Torch Light Mode:** Offers continuous lighting during camping, hiking, or power outages.
- 4.Battery Indicators:** LED indicators display the remaining battery level and charging status.

To turn the LED light off, press and hold the power button for a few seconds.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
